

DZ ADJUSTABLE LOADING DOCK – IMPACTABLE

STATIONARY WORKHORSES ABSORB TRAILER IMPACT; IDEAL FOR LEASED FACILITIES AND GRADE-LEVEL BUILDINGS

WHAT'S COOL:

- Patented Impact Resistant Design
- Adjustable Height Front Legs
- Long-lasting High Strength Steel Frame
- Architectural Structure per OSHA/IBC

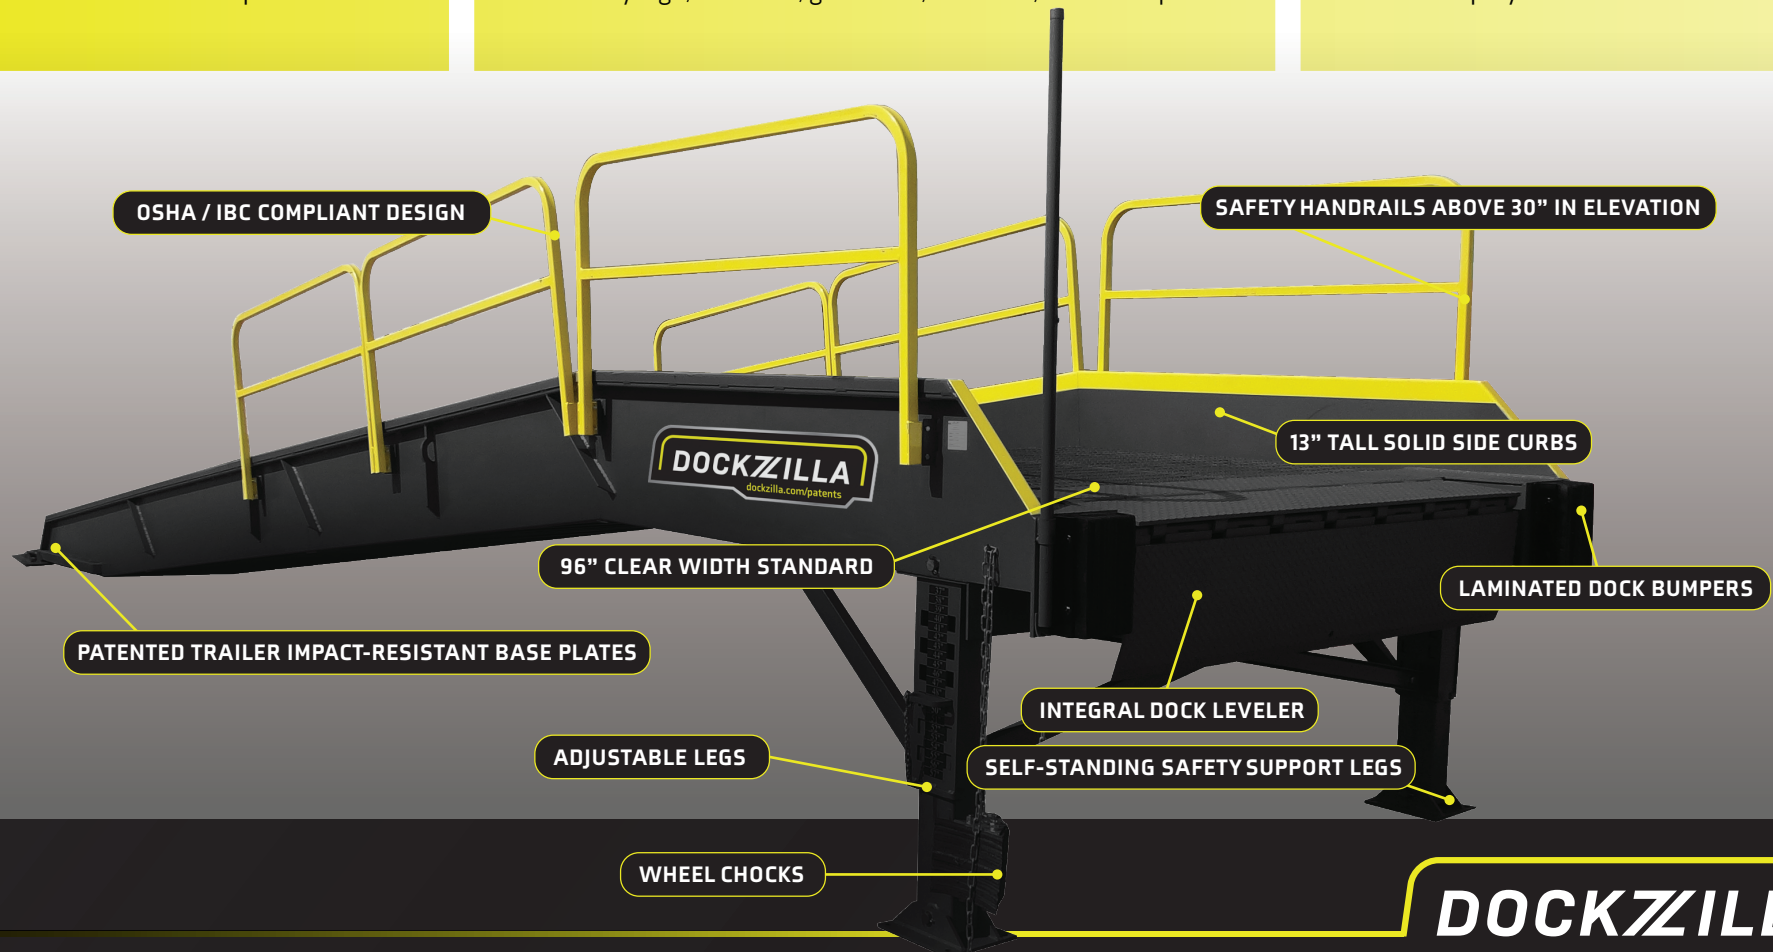

WHY IT'S IMPORTANT:

- Absorbs trailer impact forces without skidding when trucks back in
- Easy-to-adjust, large 32"-56" service range for varying trailers
- Premium features & no-maintenance legs tackle rigors of daily use
- Front safety legs, handrails, guardrails, tall curbs, restraint option

WHY IT'S WORTH IT:

- Increase employee safety & productivity
- Fast turnaround & loading velocity
- Delivers ROI without downtime
- Minimize employee & forklift hazards
