

DZ PORTABLE LOADING DOCK

FREESTANDING MODULAR LOADING DOCK ADDS LOADING CAPACITY ANYWHERE NEEDED

WHAT'S COOL:

Patented Impact Resistant Design
Push-Button Hydraulic Dock Leveler
Exclusive Cheesegrater® Leveler
Architectural Structure per OSHA/IBC

Cheesegrater® Push-Button Hydraulic Leveler

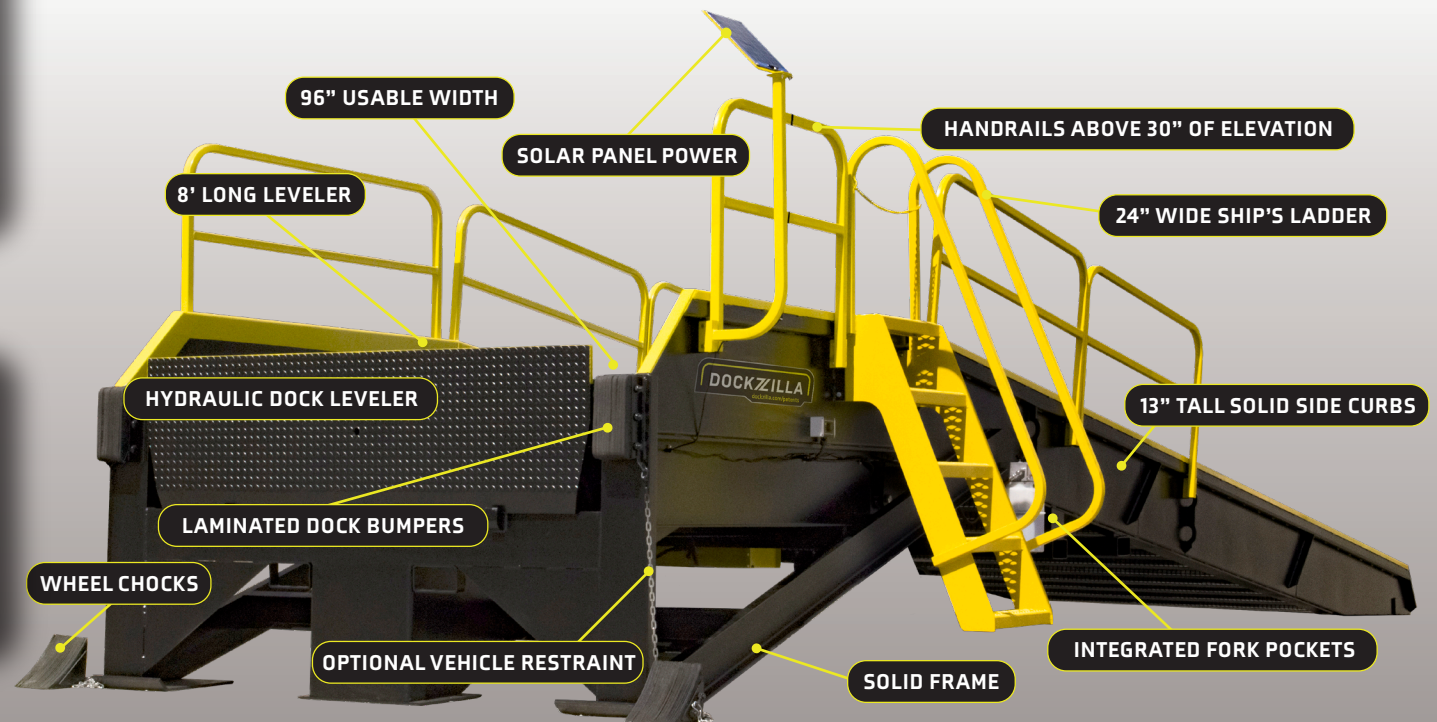

Optional - Mobile Design with Solid High Capacity Wheels

→ WHY IT'S IMPORTANT:

Absorbs trailer impact forces without skidding when trucks back in
Only 1 employee needed to operate standard or solar power option
Open bar grating sheds snow/ice buildup for forklift tire traction
Solid safety legs, handrails, guardrails, tall curbs, restraint option

→ WHY IT'S WORTH IT:

Increase employee safety & productivity
Reduce payroll costs & protect employees
Safer and more productive loading ops
Minimize employee & forklift hazards
